

# Promulgated rates for Cover Conductors in the West End

The new promulgated rate for Cover Conductors in the West End has now been introduced.

It outlines that a minimum of 1.5x the fee to the Keys 2 player (or equivalent, if no further keyboards are included in the orchestration) is payable, with the additional rehearsal and captive time paid in addition to this at the applicable MU rehearsal pianist rate (currently £51.50p/h).
